Welcome to the StormHour Photo of the Week competition.

The competition is run in conjunction with The Royal Meteorological Society who are kindly offering their Welcome pack including Tote bag plus *12 months free membership* to The Royal Meteorological Society

As always the final decision is very subjective and a difficult choice has to be made from so many great entries. Thank you to Mark [@StormHourMark](#) and [@RMetS](#) for judging and we hope you enjoy their choice and the best of the rest beneath.

Thank you for all your entries as ever 😊 ~ Mark

1st Place The coming storm, Peyto Lake, Banff National Park, Alberta
